

Welcome to AP Biology! Get ready for a great year!

AP Biology Summer Assignment 2017-2018

Due on first day of school (Thursday, September 7)!

1. Join “AP Biology 2017-2018” Google Classroom
 - **Class Code: vhgff1**
2. On “AP Biology 2017-2018” Google Classroom you will find the preparation materials for the Biochemistry unit (Chapters 2-5). We will be covering this material very quickly with the unit test scheduled for the first full week of school (September 11-15). Your job this summer is to read/study chapters 2-5 in the textbook and complete the preparation materials for each chapter. **This assignment is due on the first day of school (Thursday, September 7)!** Your advanced preparation on this material will allow the class to complete this unit in an effective and efficient manner to give us a great "head start" for the rest of the year!
3. Additional learning resources to help you in this process include:
 - Mastering Biology site (includes eText and Study Area with animations, activities, quizzes, etc.)
 - **Mastering Biology Access Code:**
SSNAST-STEAD-STEYR-DAYAN-FIERI-LIKES
 - A link to set up access AND a separate document to help you set up your access can be found on Google Classroom
 - Power Point presentations for each chapter can be found on Google Classroom
4. You can also find PDF's of Chapters 2-5 and Answers to chapter questions on Google Classroom if your eText (Mastering Biology) is not working and/or you did not get a copy of the textbook before the school year ended.
5. All work must be hand-written!
6. Email me at tdimarco@shsd.org if you have any questions. I will do my best to get back to you as soon as possible.

Have a great summer! See you in September!
